

Mehdi The Guide

He was born as a light of guidance.

A perfect one in Prophet Adherence.

The meaning of Allah he dictated

The meaning of Quran, Sunnah of the Prophet he
propagated.

Mehdi, the Guided the Guide.

Guided are those who on his words abide.

Taught by the Al Mighty, the meaning of Quran.

Declared the Promised One, the divine command.

Between Rukn & Muqaam he declared himself the Mehdi,

Declared that one who accepts a 'Momin' shall be

Whom Allah said who follows you is a believer,

and on the wrong path is the disbeliever.

He was the selfsame of the Prophet, toe to hair,
For whom, the mountains and trees declare -
"What you proclaim is true -
You are the Promised One, none but you"
It's proved, when he made ablution,
"This is Mehdi" was water drop's declaration.

Mehdi come to pave the path towards Allah's vision,
To spread Thy love was Mehdi's mission.
He left us with a path to follow on
For about 500 years, Mehdi is gone.
His last words still bound on us,
Follow his path, and see, Mehdi is still among us.
